2014-2015 REGISTRATION UPDATE:

Registration for the 2014-15 school year is off to a *tremendous* start. Thank you for promoting 4CCN to your friends and families!

Most of our classes are full, however we still have openings available in our T/Th 3’s program. Family plans could change over the next several months, which could lead to more openings. If you know of anyone who is interested in enrolling their child, please have them call the school office. Thank you!

LITTLE GYM:

We want to thank **Jasmine Kuzner**, who spent the past several weeks with our children. Unfortunately, snow days cancelled many of our classes but the children enjoyed the time they had with Jasmine.

Jasmine owns the Little Gym center in Kemp Mill and shared some fun activities with each class once a week. The children *love* Little Gym days. Thank you very much Jasmine for everything you do for 4CCN!

PARENT BUSINESS FUNDRAISING:

4 Corners Community Nursery provides an opportunity for those of you who have a business and are interested in partnering with 4CCN! This program not only helps you, the business owner, but also our school! If and when 4CCN families patronize your business, a percentage of the profits would be given to 4CCN.

Free advertising for you!

If interested, your name and business/business type would be listed on our website (under the "Volunteer Support" tab).

How it works:

If you are interested in participating, please let Rachel or Susie know. Participating businesses are not allowed to solicit 4CCN families directly through the 4CCN listserv. The intention is for interested families to contact the specific businesses. Business owners set the donation percentage rate, which in turn encourages 4CCN families to support the business! Thank you!

HAPPY BIRTHDAY, 4 CORNERS COMMUNITY NURSERY!

4 Corners Community Nursery began 45 years ago on March 21, 1969. Originally called the "Mother's Day Out" program, it started as an outreach program for members of Marvin Memorial UMC. It gave stay-at-home moms an opportunity to have drop-in care for their children. "Classes" were held in the hallways of the building.

As the program grew, it expanded to accommodate the growing community. Over the years, the program has evolved to where we are today but we keep with the original mission of an affordable opportunity to enrich children in a loving and caring environment. 2010-11 was our first year in our new location at Luther Rice Memorial Baptist Church.

We continue to celebrate our good fortune with a great community of people! Thank you for everything you do for 4CCN.

(Who is ready for spring?)

OUR PHILOSOPHY:

4CCN strives to give each child a sense of security, a healthy feeling of self-esteem and an enthusiasm for living and learning.

4CCN is a nonprofit, state-licensed program. No child will be discriminated against because of race, color, national and ethnic origin, or disability.

4 Corners Community Nursery provides a safe, warm and loving environment for 2-, 3-, and 4-year-olds with programs that stimulate them socially, emotionally, physically and intellectually.
