4CCN DINE-OUT UPDATE:

4CCN enjoyed three evenings at local restaurants for fun, food and friendships! In the fall, we dined at Mama Lucia and this winter we dined at Pete's A Pizza and El Golfo.

4CCN made \$570 total the year! We hope you enjoyed taking a break from cooking and getting out with other 4CCN families!

This money offsets the costs of our BBQ in the fall, Ice Cream Social and end of the year picnic. *Thank you all for supporting 4CCN throughout the year!*

2015-16 SCHOOL YEAR REGISTRATION:

We still have a few openings in our M/W/F 2-year-old program.

If you know of anyone who may be interested in learning more about 4CCN, please tell them to give us a call! Your recommendations are our best advertising!

THE WEEK OF THE YOUNG CHILD:

This week is the Week of the Young Child, and April is also Child Abuse Prevention Month.

This campaign focuses on the importance of family bonding and communication. The goal of this effort is to encourage parents to prioritize setting time aside to communicate and connect with family. Making time for family time results in lasting benefits for children; making them stronger, more resilient and better prepared to cope with problems with daily life.

Please visit the website, www.standforchildrenmd.org for information on building strong families and for ideas on how to take 15 minutes each day to spend time together... doing an activity that benefits everyone in your family.

END-OF-THE-YEAR PICNIC:

Once again, we will have an all-school, end-of-the-year picnic! The planned date is Friday, May 29th. More information will be posted on your classroom bulletin board, via e-mail or notices home.

OUR PHILOSOPHY:

4CCN strives to give each child a sense of security, a healthy feeling of self-esteem and an enthusiasm for living and learning.

4CCN is a nonprofit, state-licensed program. No child will be discriminated against because of race, color, national and ethnic origin, or disability.

4 Corners Community Nursery provides a safe, warm and loving environment for 2-, 3-, and 4-year-olds with programs that stimulate them socially, emotionally, physically and intellectually.
