Fall Consignment Sale

The 4CCN Fall Consignment Sale was a huge success! We would like to thank the hard work of Brianna Schnaar, our chairperson and to all the families who helped with the success of this year's sale. We appreciate all of your dedication, hard work and volunteer efforts. So many of you worked extra hours and the collaborative efforts made the sale run smoothly. We would like to thank Yasmine Matten for her time helping with marketing the sale and working evening shifts with Brianna. Also, thanks to Regina Parks who did the accounting for the sale. As of this writing we do not have a final figure but will let you know shortly. The money raised for the sale funds things like our beautiful playground equipment and maintenance, in-house field trips and classroom equipment.

What a great feeling for all of us to come together as a school community to make such a large event occur that ultimately benefits all of

our children. We hope you enjoyed meeting new people this past week. 4CCN is a fantastic community of people!

Our spring sale is scheduled for March 20-24, 2017. It never hurts to get started tagging early, so if you just consigned with us, let us know if you want to keep your code.

Developmental Screening

Beginning in 2017 Maryland State Department of Education will require all children in childcare and early childhood programs such as 4CCN to conduct developmental screening on all children. Information on the screening will go home with your children in early November. Results of the screening will be shared with families during the January conferences.

Open House Dates and 4CCN Registration

4 Corners Community Nursery will have Open House days on Wednesday, November 30th and Wednesday, January 18th 9:30-11:00am. If you are interested in helping 4CCN with tours of our space, please let me know. We need about 6 volunteers to take small groups of families around to the different classrooms.

Registration for in-house families will begin on Monday, January 9th, alumni registration beginning on January 30th and community registration will be

on Friday, February 10th. Registration forms for in-house families will go home after winter break.

Dressing for Cold Weather

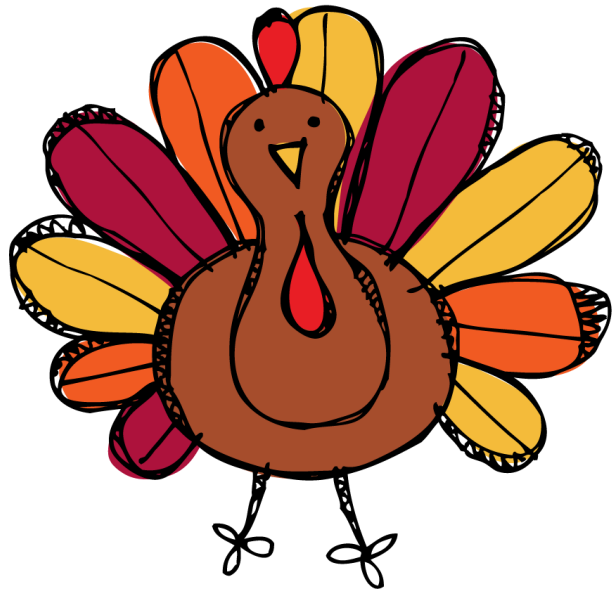

As the cold weather approaches in November, please remember to dress your child for outdoor play. We will continue to go outside to play in the winter months. Please send your child to school with **hats, mittens, warm coats, etc.** **Make sure every piece is labeled with your child's name.** It is also important that your child wears appropriate shoes to school. Please send your children to school with sturdy, close-toed shoes.

4CCN Emergency Evacuation Procedures

4 Corners Community Nursery is required by the State of Maryland to practice their emergency preparedness procedures. Each month we have a fire drill and evacuate the building. The children know exactly what to do when they hear the fire bell sound. In the event that we need to evacuate the building, we shelter at Young Israel (next door) or Forest Knolls Elementary.
